Company activity:	The market developments have led Filatura di Pray Sas to become a leading company in the production of yarns for home furnishings with high quality design in good taste. In 2010 the company patented a fireproof yarn with a natural aspect similar to linen. In a short time the firm has become a reference point for good taste and innovation in this sector. Other fireproof yarns with a delavé aspect and wool effect are also in production, with continuous research for novelties and trends in the contract world. In addition basic yarns are not neglected and there are always samples available for plain yarns, as well as flake and slub yarns in various fibers such as wool, viscose, viscose/linen, acrylic etc.
